**TAXICAB COMPANY REQUEST FOR EXEMPTION TO  
 TAXICAB DRIVER PERMIT LIMITATION**

Section 6.64.496 or Chapter 6.64 of Title 6 of the San Jose Municipal Code (Code) provides that a taxicab driver may submit an exemption request to a freeze on the issuance of taxicab driver permits if the owner of the taxicab company endorsing the application for the taxicab driver demonstrate that it has too few taxicab drivers to meet demand for that owner’s service. To demonstrate the above, a taxicab company owner must submit all information required by the Chief of Police to support the existence of one of the conditions listed in subsection A of Section 6.64.496 of the Code. **Please note, a request for an exemption will not be deemed complete for consideration if you have not submitted all of the required documentation and provided a full, clear, effective description of the reasons for the request.** Prior to submitting your request for exemption, we encourage you to contact Pamela McAnally (408) 975-3273 with the City of San Jose, Department of Transportation to review your request prior to submission to the Police Department.
